Quel type d'entreprise avez vous choisi et pourquoi ?

J'ai choisi une entreprise spécialisé dans la couture de vêtement, les clients prennent rendez vous pour prendre des mesures et l'entreprise se charge de la création du vêtement.  
J'ai choisi ce type d'entreprise car j'avais envie de changer un peu de sujets sur mes projets et j'ai toujours aimé un peu le monde de la couture.

Quel outil de maquette avez vous utiliser ?

Figma

Quel site web vous a inspiré ?

Shein.

Comment voyez-vous la navigation effectuée sur votre site ? Expliquez la navigation du scénarimage

La navigation sera par section ce qui veut dire que le site web aura seulement une grande page principale avec toutes les actions disponibles dès la première page.  
La seule autre page sera seulement la page de confirmation pour les rendez vous.
